# Itinerary: Discoveries Day by Day

## 1 Arrival to San Jose

Welcome to the capital of Costa Rica.

We will pick you up at the airport and take you to the The Studio Hotel in Santa Ana. That night, we will have a riders meeting at our Elephant Moto headquarters where you will also be able to set up your GPS so it will be ready for departure in the morning. We will have a welcome dinner and briefing at the hotel.

## 2 San Jose - Puntarenas - Santa Teresa. 177 km

We will get an early start in the morning to get ahead of traffic. Our day's ride will take us through San Jose and the old city of Cartago towards the highest pass in Costa Rica, Cerro de la Muerte (around 10,000 ft. high). We will then take an off-road route through the mountains and cloud forest down to the Pacific Coast. Lunch will be in the hip surf town of Jaco. After lunch, we will take a 90-minute ferry to cross the Gulf of Nicoya. Our bike ride will continue on a short gravel road into Santa Teresa where we will enjoy an end-of-day sunset cocktail on a spectacular beach before dinner.

## 3 Santa Teresa - Tamarindo. 190 km

This is the core of the LATAM GS Trophy route and the most technical day. We will ride North through the tropical forest of Pacific coast on the Nicoya Peninsula through many small trendy beach towns. We will encounter a variety of fun and scenic double track off road terrain including river crossings, sand, gravel roads and possibly mud.

## 4 Day 4: Tamarindo (day off).

Today we have many options: enjoy the town, chill on the beach or by hotel pool, learn to surf, go for a waterfall hike, take in a yoga session, or enjoy some cocktails and snorkeling during a sunset catamaran trip.

### Highlights

# Itinerary: Discoveries Day by Day

## 5 Tamarindo – Arenal. 206 Km

The Canyons of Liberia is like going on a little African Safari – but in Central America. Riding along the canyons on a rolling double track carved out of volcanic flow from the three active volcanoes is like a GS rollercoaster. We will then cut through Rincon de Le Vieja National Park and its sister peak down near the impressive Lake Arenal. We will end our day relaxing in the hot springs at the base of the active and incredibly picturesque Arenal Volcano.

## 6 Arenal - San Jose. 136 km

Today's ride will be a peaceful, beautiful road trip with gentle twists through the rural farming hills, coffee plantations, and quaint little towns. We will pass some roadside waterfalls and enjoy a typical Tico lunch. We will also have the opportunity to take a coffee tour. Once back in San Jose, we will enjoy our farewell dinner and let the sharing of lifetime stories begin.
